

Preparation of GHAZWA -E- HIND

All praise is due to Allah, the Strong and Mighty. And may blessings and peace be upon the one sent with the sword as a mercy to all the worlds. As for what follows, Allah the Exalted said, **“They want to extinguish the light of Allah with their mouths, but Allah will perfect His light, although the disbelievers dislike it.”** [As-Saf 61:8]

Amongst those chosen by Allah for His cause are the valiant mujahideen of Khurasan who are locked in a fierce war with the crusaders and their apostate allies from amongst the regime and the nationalist movement of Taliban. Despite the differences of their enemies with each other all of them are agreed upon fighting the mujahideen and there are many reasons, and differing accusations, but all have the same goal the elimination of mujahideen from Khurasan. Therefore, the sahwat of apostasy which had engaged the crusaders in a long war joined hands with them in an attempt to eradicate the Jihad in Khurasan but Allah has promised that He will perfect His light (Deen), so the Jihad in Khurasan spread in other regions of the subcontinent as well. Thus, the barren lands which had become devoid of Jihad turned fertile after being nourished by the blood of Shuhadah.

The patrons of the creed of al-Wala’a wal Bara’a rose against enemies of Allah and re-affirmed that they will not cease their Jihad until the word of Allah becomes the Highest. The Knights of Wilayah Hind on one hand have marched forth with this blessed caravan and on the other hand the Mujahideen of Wilayah Pakistan are exerting all efforts to intensify the flames of war. Striking the enemies of Allah, they are supreme by their aqeeda and tawheed, not through themselves. They are defiant by their certainty that victory, strength, and triumph are for them by the grace of Allah, not by their

weapons nor their numbers.

The Kabul operation by a mu-jahid from India against Sikhs and Hindus which was carried out to avenge Kashmiri Muslims healed the hearts of the believers. Indeed, it was a message to the Indian Muslims that they should tread upon the path of Qitāl instead of living a humiliating life. The same Indian Muslims who have been tyrannized by the Najis Hindu Mushrikeen for decades just because they testified that there is no god but Allah. And if the Hindu Polytheists today have begun to bother the Muslims who testified Tawheed and live in India by arresting them, lynching them and introducing new laws to evict them, then soon they will begin to take them away either dead, imprisoned, or homeless. Allah said: **“And they will continue to fight you until they turn you back from your religion if they are able”** [2:217]. So, remember they will not leave anyone amongst you except the one who apostatizes from his religion and follows theirs. The only cure to it is Jihad as Shaykh Abu Musab az-Zarqawi said: **“Verily after Tawheed the best antidote to the problems of this Ummah is Jihad for the sake of Allah.”**

And by Allah’s permission the hope has emerged in Kashmir and good news has loomed with the blessed operations of the Mujahideen of Khilafah against the guards of the Shirk, the soldiers of Narendra Modi, the Pharaoh of India. The valley of Muslims caught between the proxy war of Tawagheet for decades is witnessing a remarkable change from the insurgency based upon democracy, nationalism and romanticism to Jihad upon the book of Allah and the Sunnah of His messenger.

And prior to that your brother’s in Sri-Lanka have also glorified the Khilafah by shedding the filthy blood of crusaders while they refused humiliation and subservience and offered their blood and lives for their religion. And so, have the lions of the Khilafah in Bangladesh, who treaded the path of honor & dignity and have been carrying out attacks against the apostate regime. We also congratulate the brothers from the Maldives for carrying out the blessed

arson attack against the apostate regime, a first of its kind officially announced by the Khilafah.

O Muwahideen in Pakistan, Kashmir, Bangladesh, Maldives, Sri-Lanka and India we bring you glad tidings of Ghazwa e Hind. So, thank Allah and praise Him for He has provided us a chance for being among those who have been promised the conquest of Hind by Imam of Mu-jahideen and last messenger Muhammad SAW.

It was narrated that Thawbaan, the freed slave of the Messenger of Allah (blessings and peace of Allah be upon him), said: **The Messenger of Allah (blessings and peace of Allah be upon him) said: “There are two groups of my ummah whom Allah will protect from the Fire: a group who will conquer India, and a group who will be with ‘Eesaa ibn Maryam (peace be upon him).”** [Narrated by an-Nasaa’i (no. 3175) and Imam Ahmad in al-Musnad (37/81)]

What greater pleasure could be than this when the most truthful Human being that ever existed told us that Allah will save those among this ummah from the hell-fire who will take part in the conquest of Hind? So, keeping in consideration the glad tiding of Ghazwa e Hind and the glad tidings of Jihad, you need to continue your Jihad and Qitāl against the Tawagheet and strive to participate in it. To Allah belongs honour, and to His Messenger, and to the believers. And the final outcome will be in favor of the righteous, **“So do not weaken and do not grieve, and you will be superior if you are [true] believers”** [Ali ‘Imran: 139].

O Lions of Khilafah in Maldives, indeed this is

the just the beginning and you should prepare for the future operations as Allah Azzawajal has commanded us: **“And prepare against them whatever you are able of power and of steeds of war by which you may terrify the enemy of Allah and your enemy and others besides them whom you do not know [but] whom Allah knows. And whatever you spend in the cause of Allah will be fully repaid to you, and you will not be wronged.”** [Al-Anfal 8:60]

May Allah accept all your efforts and the operations you have executed such as the burning of a hotel and two of their boats and the stabbing of an Australian Kaafir. Make it worse for the apostate democratic government so that Allah punishes them by your hands.

These apostate regimes are worst of the regimes in the sight of Allah because they have turned away from Islam and its principles. These apostate political parties and their supporters should be warned about the clear cut Kufr (disbelief) and Shirk (polytheism) of the democracy and its manifestations. The satanic system of democracy usurps the right of authority and legislation from Allah and gives it to the human's elected by the people. Hence it is Kufr in its highest form, Allah's refuge is sought.

And we ask the Muslims in India and Pakistan to follow the footsteps of their Mujahideen brother's. What do you wait for? Do you wish to live the life of humiliation and disgrace under Kufr of democracy? Or do you love the worldly life and hate death? Your Lord says to you **“O you who have believed, what is [the matter] with you that, when you are told to go forth in the cause of Allah, you adhere heavily to the earth? Are you satisfied with the life of this world rather than the Hereafter? But what is the enjoyment of worldly life compared to the Hereafter except a [very] little.”** [At-Taubah 9:38].

So, obey your Lord and rally around the muja-hideen.

And our message to those brothers who are striving against the Apostate and Polytheist regimes in Pakistan, Bangladesh, Burma and Kashmir with their wealth and blood but haven't pledged their allegiance to the Khilafah yet, we say to them it is a necessary duty upon you to join the Khilafah as it is from the obligations of Islam. Until when will you remain dispersed and divided? Why do you not gather your groups, unify, unite your word, and solidify your ranks? Why do you not identify who is with you and who is against you? Your division is from Satan. Join hands with your brothers from the Islamic State and fight against the enemies of Allah collectively as Allah has said: **“Indeed, Allah loves those who fight in His cause in a row as though they are a [single] structure joined firmly.”** [As-Saf 61:4]

Know that our Jihad is based on the principles of Shari'a and the Prophetic methodology where all the polytheists and apostates are fought against collectively, which many so called called jihadist movements have failed to do till date. Because in reality such movements are stooges of Tawagheet and strive to carry forward their agenda. They are very distant from Tawheed and Shari'a in a pit of deviancy and can be compared to foul smelling waste. So, intensify your operations against the Tawagheet. As the flames of Jihad flare up, this fire will engulf entire Hind in it and by Allah's nusrah we will meet in Delhi, victorious (Allah willing).

Indeed, they see it distant but we see it near [Al-Ma'arij 70:6-7]. **And Allah is predominant over His affair, but most of the people do not know.**
